University of Moratuwa, Sri Lanka.
- 2021

■ Diploma in Information and Communication Technology

Nenasala Campus, Sri Lanka.
- 2019

■ G.C.E. Advanced Level – Physical Science Stream

Kuliyapitiya Central College, Sri Lanka.

Technical Skills

- DevOps & CI/CD

■ Docker, Jenkins, Git, GitHub, Gitea.
- Cloud & Monitoring

■ AWS, Firebase.
- Linux & Infrastructure

■ Linux, KVM, Server Integration, System Configuration, Deployment, Troubleshooting.
- Programming & Scripting

■ Java, Python,Bash.
- Web Development

■ React.js, Node.js, Spring Boot.
- Databases

■ MySQL, MsSQL
- Testing & Tools

■ Postman, Cypress, Selenium.
- Professional Skills

■ Problem Solving, Incident Management, Team Collaboration, Communication, Time Management, Adaptability, Continuous Learning.

Projects

- 2026 – Present  **Luxury Perfume E-Commerce Website**
Developed and deployed a full-stack e-commerce platform for the Luméra fragrance brand using React.js, Spring Boot, and MySQL. Deployed the application on a Linux server using Docker and Jenkins for containerization and CI/CD automation.
Tech Stack: React.js, Spring Boot, MySQL, Linux, Docker, Jenkins. [GitHub](#)
- 2025 – 2026  **YummyGo – Food Delivery Platform**
Developed a full-stack food delivery platform with customer, restaurant, and driver modules, authentication, order management, and real-time order tracking.
Tech Stack: React.js, Spring Boot, MongoDB, AWS S3. [GitHub](#)
- 2025  **Smart Vessel Monitoring System – Final Year Project**
Developed an IoT-based vessel monitoring system for GPS tracking and load monitoring, integrated blockchain for secure data storage, and developed a Flutter and Firebase mobile application with offline synchronization.
Tech Stack: ESP32, HX711, Neo-6M GPS, Flutter, Firebase. [GitHub](#)
- 2025  **T & S Bakery Inventory Management System**
Developed an inventory management system for stock tracking, pricing, reporting, and real-time data synchronization. Implemented a Jenkins CI/CD pipeline for automated build, testing, and deployment.
Tech Stack: React.js, Firebase, Jenkins. [GitHub](#)

Certifications

-  **Python for Beginners Certificate**, University of Moratuwa (CODL).
-  **Web Development for Beginners Certificate**, University of Moratuwa (CODL).
-  **Diploma in Information and Communication Technology**, Nenasala Campus, Sri Lanka.
-  **Introduction to Devops** Great Learning.

Extracurricular Activities

- 2024 – 2025  **Co-Chairman, Fundraising Committee, Leo District 306 A2.**
- 2023 – 2024  **Treasurer, Leo Club of University of Moratuwa.**
- 2022 – 2023  **Assistant Treasurer, Leo Club of University of Moratuwa.**
 **Rover Scout**, Sri Lanka Scout Association.
 **Member**, Sri Lanka Red Cross Society.
